Highlights:

- 1/2 Timber-look flooring through an open plan living/family room with AC & garden outlooks
- 1/2 Tiled modern kitchen with stainless appliances overlooking the dining room
- 1/2 4 fan-cooled, plush carpeted beds, 3 with BIRs, master with WIR & an ensuite
- 1/2 Main bathroom with a shower & tub, the toilet separate
- 1/2 Sail-shaded alfresco patio, dedicated laundry, remote entry double garage

Further highlighting the newly white-washed walls are this home's plentiful big windows that frame lush lawn and gardens in almost every room and draw in tranquil natural light. One of the best vantage points, taking in both the front and back yards, is the combined living/family room - a generous space with chic new timber-look hybrid flooring and a split system AC unit.

The tiled kitchen is centrally positioned with access into the main living hub, but also directly overlooking the dining area which extends onto a shady alfresco entertaining patio. Everything you need to comfortably cook up a feast is at your disposal with lots of clear bench space for prepping, a big WIP to store all your ingredients, a twin sink, and dishwasher.

On the accommodation front, the 4 bedrooms are all carpeted with ceiling fans, 3 with BIRS, the larger master with a walk-in closet, along with an ensuite with a shower. The main bathroom is well-sized, with both a shower and tub, the toilet next door beside the laundry.

While there's plenty of grassy play space surrounding this home, including across the fenced backyard, this picturesque pocket of Algester is also blessed with abundant parks. Whatever direction you head, you'll find a playground and green space in no time at all!

Other location features of this property including zoning for Algester State School and Calamvale Community College, with city-bound buses just a 15-minute walk, and Calamvale Central and Sunnybank Hills Shoppingtown a 10 minute drive at most.
