Spacious Family Living in Bolwarra Heights

Here's a perfect, family friendly home that ticks all of the boxes $\frac{1}{2}$ multiple living spaces, 4 good bedrooms, 2 bathrooms & outdoor living all catered for, and all within the established surrounds of Bolwarra Heights.

Inside, you'll find four well-appointed bedrooms giving the home plenty of flexibility. The main bedroom enjoys its own position at the front with a walk-in robe and ensuite, while the three remaining bedrooms include built-in wardrobes and are serviced by the main central bathroom, complete with separate shower and bath.

The kitchen, dining and family room form one central hub, with the kitchen positioned at the heart of it all. A large island bench, walk in pantry, generous prep space finished with electric cooktop & stainless steel appliances make it well suited to both the weekday routine and having friends around.

Just off this central living zone is a second dedicated media area, providing some separation when you want to watch your favourite movie or scream at the TV watching your side go for glory, or simply a little more room for everyone to find their own space.

From the open plan kitchen area, the home steps outside to an undercover alfresco area, extending the usable living space into the backyard. The securely fenced yard offers established greenery and a fire pit area, giving the kids somewhere to play and making outdoor entertaining easy to incorporate into everyday life.

Locked & loaded for an end of year settlement, this is the opportunity to jump on & settle into $\frac{1}{2}$ right before the Christmas tree goes up!
