

42 Saville Rd, Dapto, NSW 2530

Sold - 9/02/2012

House 3  2  1 

The Saville Challenge

The Saville Challenge - Can you turn these ruins into remarkables?

Come one builder, come all who love a challenge and are ready to put in the HARD work! This 3 bedroom home has plenty of potential but needs someone willing to start from less than scratch.

The layout of the house consists of 3 bedrooms, all with built in robes, main with ensuite, dining off kitchen and separate living. This place has leaks, mould, cobwebs and will need gutting, slashing and a few dozen tip runs to get it back up to scratch yet whoever takes on this challenge will certainly reap the rewards.

The neighbours will love the new owner of this home.

Please note: this property is in a very poor condition and inspection of the premises is at your own risk.

Open for Inspection

By Appointment.
