2 bedroom split level home with shed on elevated 5 acres

Lots of potential here !

Take a look at this elevated 5 acre block with a solid two bedroom home that is built with two levels, bedrooms and bathroom upstairs with everything else on the lower level.

A verandah out the front adds to the charm of this cottage set high on the lot.

A wood heater and air conditioning helps make this home very comfortable. Two water tanks supply ample water and a large shed for storage or workshop.
