A Unique Container Designer Home with Character

Discover a unique architectural marvel in this two-story container-based design. Downstairs, explore two bedrooms with a central access bathroom and a convenient Benchtop & Cupboards for storage (Potential to convert to Kitchen). The innovative use of containers adds an industrial touch, making it a must-inspect property.

The double-block layout on one large title opens up endless possibilities. Imagine the potential to build an additional dwelling or even expand your oasis with a large shed and pool.

Upstairs, revel in the entertainers' dream – an expansive open plan living and dining area featuring a massive kitchen with a stunning timber feature Island bench. Gorgeous Timber panel ceiling giving that different character edge over the everyday home.

Modern aesthetics shine with high ceilings and strategically placed feature windows, allowing natural light to illuminate every corner of the home. The master bedroom offers a luxurious experience with a walk-through robe leading to a spacious modern bathroom. Another walk-in robe adds to the sense of ample space, creating a haven for relaxation and refined living. This exceptional design seamlessly blends functionality with style, promising a lifestyle beyond the ordinary.
