TERRENS TITLED HOME

Get ready to be pleasantly surprised. This Torrens titled duplex (yes, Torrens titled — worth repeating) offers generous living spaces that even the most particular buyers will appreciate.

Inside, you'll find two comfortable bedrooms, a separate toilet from the main bathroom, and the convenience of an internal laundry. The centrally positioned kitchen comes complete with a servery top — ideal for quick bites, slow mornings, and everything in between. A single lock up garage keeps your car and storage sorted.

Step outside to your private side courtyard, perfectly sized for unwinding after a long day without demanding your entire weekend for upkeep. Out front, the picket fenced yard is neat, charming, and ready to welcome guests (or impress the neighbours).

If you're after low maintenance living with surprising space and the freedom of Torrens title, this duplex is ready to win you over.
