Located opposite a school with a day-care up the street and plenty of parklands as well, this property is in a prime location for the busy family. At street level the home has a towering facade with dual garage parking and a formal entry to the home. Inside are a cluster of bedrooms, 5 total or 4 and a media room if you prefer, three bedrooms include a built in robe and all have A/C and a large sliding window. The master bedroom is positioned at the rear of the home and overlooks the backyard and is complimented with an ensuite bathroom and a walk in robe as well. Centrally positioned are the living, dining and kitchen areas all free flowing with an easy upkeep. The kitchen has modern dark lower combinatory and contrasting white uppers along with a stone topped island bench and breakfast bar seating along with pendant lighting as well.

Sliding doors open the living areas up to the outdoor entertaining areas with a verandah that overlooks the big backyard with room for the swings and trampoline and there is a garden shed as well. The garage has a rear roller door and a pad for the boat plus hosts the laundry amenities in a space saving design. This home is designed for the family and has plenty of space both inside and out.

If location is everything then this home has it all. Located walking distance from local parks with play areas for the kids, walking paths to explore surrounded with lush landscapes and a community vibe with local markets and events held at the IGA complex throughout the year.
