Elevated Family Home with Stunning Views & Unmatched Potenti

More photos to come!

Nestled in one of Highland Park's most tightly held pockets, this spacious elevated home offers a rare combination of immediate comfort and long-term potential.

Set on a 600m² elevated block with panoramic views, the residence features four bedrooms, two bathrooms, two separate living areas, a double lock-up garage, and an inground pool. The entertainer-sized kitchen flows seamlessly to the living spaces, creating a home that is perfect to move into and enjoy straight away.

What sets this property apart is its massive upside potential – whether you choose to enhance the interiors, extend, or simply personalise the spaces, there's an opportunity to create a truly exceptional family home while benefiting from one of Highland Park's most sought-after addresses.

Homes offering this combination of lifestyle, space, elevated position, and opportunity are extremely rare.
