House 3  1  2 

Traditional family home with contemporary interior!

This beautifully presented, low-set house, in a quiet Wulguru street, is an attractive proposition for families seeking a traditional home, with polished wood floors and a shady back yard, or investors seeking a stress-free rental property. Its stunning, refurbished kitchen, large, undercover, timber deck and clean, neutral decor make it an inviting prospect for investors and nesters alike.

Open for Inspection

By Appointment.

The newly refurbished kitchen is a contemporary dream with its tiled walls and stainless steel appliances which complement the rich, warm hues of the timber cabinetry. The lounge is spacious, the three bedrooms well-sized and honey-coloured, polished wood floors feature throughout the home.

The rear, undercover deck is generously sized and the rich colour of the exposed timber adds great aesthetic appeal. The deck overlooks lawn and mature, shady mango trees with room for a pool if desired.

The property is fully fenced and has a large garden shed and double carport. It is surrounded by well-maintained homes and close to a children's play area. Wulguru Primary School is a short walk away.

This is a delightfully relaxing home with a contemporary interior that would appeal to nesters and renters alike.
