Affectionately named after the returning Pelican in Colin Thieles' children's book, 'Storm Boy', this coastal home is perfect for families – and much like Mr. Percival himself you are sure to never want to leave. Perched on the balcony, you'll have some of the most spectacular views of the sweeping St. Vincent Gulf, renowned Port Willunga beach, Blanche Point and Gull Rock.

There is a spot for everyone, with two living rooms, large balcony and neat garden. But there is no doubt about it, this home is just the place for your group to come together and create the best of memories. The master suite is perfect for parents, with a private balcony overlooking the rolling hills and an ensuite complete with spa bath. But everyone is sure to have a comfortable night's rest, as bedrooms 2, 3 & 4 are equally as equipped with ducted cooling/heating, ceiling fans and clothes storage.
