## The Perfect Family Home

Positioned in a highly desirable & elevated location. This home represents great buying. Polished Iron bark flooring feature throughout. Open plan living flows through to the huge north facing covered outdoor entertaining area allowing for great outdoor- indoor living. The recently renovated kitchen is a chef's dream, granite bench tops, large stainless oven and gas cook top. The 3 large bedrooms & study are away from the living area and the kids will love playing in the big backyard and mango tree. Double garage with extra room for storage. Quiet East Ballina position close to schools, golf, river beach, shops and a reserve across the road. Very motivated owners. Will listen to all offers over \$500,000.
