### Features:-

- The street appeal is immediate, with this quaint cedar-clad cottage beckoning you to explore
- Step inside and embrace the quirky feel, with the iron bark floor boards and cathedral ceilings luring you to make this your very own 'tree house'
- The living space enjoys a stunning bush land vista with floor to ceiling glass adding to the dramatic effect
- A funky kitchen has stainless steel bench tops, purple cupboards and overlooks the living space in a mezzanine style
- A rustic bathroom has an attractive claw foot bath, classic exposed brass pipes and timber vanity
- Upstairs are two bedrooms; position your bed in the master to take in the wonder of the lunar eclipse
- A large rear timber deck is perfect for entertaining, or just the place to pen your award winning novel
- The artist will love the downstairs room with bathroom, or alternatively a great teenagers retreat or income opportunity
- The surrounding wildlife includes; King Parrots, Bower Birds, Rosellas, Echidnas, Water Dragons, Bandicoots and much more
- Young couples, old couples, tree changers, artists, holiday makers alike, this is your chance to reconnect with nature
