Perfectly positioned on a generous block, this residence offers the space, comfort, and versatility that growing families or savvy investors will love. The home features multiple living areas that seamlessly blend functionality with style, creating an inviting atmosphere for both entertaining and everyday living. Upstairs, you'll find four spacious bedrooms, including a master suite designed as a peaceful retreat. The large backyard is a standout feature-ideal for weekend barbecues, kids' playtime, or even the potential for a future pool or granny flat (STCA).

Located in a sought-after, family-friendly neighbourhood within a 2km radius to local schools, shops, and parklands, this is your chance to secure a home that ticks all the boxes. Don't miss the opportunity to make this West Hoxton gem yours.
