### PRIME CORNER LOCATION

This lock-up shop is ideally located on a prominent corner position along a highly trafficked main road, offering excellent visibility and exposure to passing foot and vehicle traffic.

With an approximate area of 50 square meters, the space is versatile and well-suited for use as a professional office.

The strategic location ensures that your business will be easily accessible to clients, while also benefiting from the high visibility provided by the bustling street.

This space presents a great opportunity for any professional looking to establish or expand their business in a high-traffic area
