The heart of the home is the light-filled open-plan kitchen, dining and lounge area, complete with air conditioning and custom built-in cabinetry to the living space. The contemporary kitchen features stone benchtops and soft-close drawers, creating a functional and elegant setting for everyday living. A large modern family bathroom services the home, showcasing a walk-in shower and a separate bathtub.

Front and rear verandas provide inviting outdoor spaces to enjoy at any time of day, while the fully fenced backyard offers a generous area with established gardens and the added benefit of back-to-grid solar. Completing the package is a double lock-up garage with electric roller doors and convenient drive-through access to the backyard.
