A rare opportunity to secure one of the final luxury residences in this exclusive collection of only 12 boutique apartments in the heart of Highgate Hill.

These architecturally designed apartments will be ready to move into by early January 2026. Once the project reaches the final public release, prices will increase. Buyers now have a limited window to secure one of these premium homes at current pricing.

A Curated Collection of Luxury Inner-City Living

Perfectly positioned minutes from South Bank, West End, and just 5 minutes to the Brisbane CBD, this development offers an exquisite blend of lifestyle, convenience, and modern architecture.

The University of Queensland (St Lucia) is only a short stroll across the Eleanor Schonell Bridge, making this location ideal for professionals, academics, medical staff and families.

Every residence showcases timeless design, premium finishes and generous proportions creating the perfect balance of sophistication and comfort.

Premium Features Include:

2.7m high ceilings throughout, ducted air-conditioning, designer bench-tops in kitchen, 2 pac soft-close cabinetry, recessed LED lighting, integrated dishwasher with European stainless steel appliances
