Apartment 2  1  1 

A Blue-Chip Beachside Address with Timeless Character

Set at the peaceful end of a coveted coastal cul-de-sac, this top-floor apartment holds a prized position in a boutique block of just six. Light-filled and wonderfully airy, it enjoys a private outlook and captures beautiful natural light from its elevated aspect.

Blending timeless Art Deco character with tasteful modern updates, the home features high ornate ceilings, timber floors and generous semi-like proportions that create an immediate sense of space.

The living area flows to a sunroom bathed in natural light, while the dine-in kitchen showcases a clean industrial aesthetic with chef-style appointments, including Miele dishwasher, Ilve gas cooker and Qasair rangehood. Bi-fold doors open to a north-facing alfresco deck, ideal for relaxed entertaining.

Two spacious bedrooms, including a master with built-in robes, are serviced by a modern bathroom with bath. Fresh paint, an internal laundry, security intercom, additional private entry and a lock-up garage complete the offering.
