A black pearl's dark yet iridescent glow is extremely rare to come by; making the name perfect for this new sophisticated seaside accommodation. Flaunting industrial-chic design with a colourful flair and equipped with all the modern creature comforts, this elevated pad raises the bar for a beach holiday.

Best of all, there is no need to sacrifice location for style. Just behind the garden fence lies the Blue Lagoon Washpool which attracts an array of birds, with the rolling hills of Sellicks as the picture-perfect backdrop. The placid waters of Silver Sands beach are just moments away, as are the Aldinga Scrub Conservation Park and Aldinga Washpool. The South Coast really is on your doorstep, and it awaits you.

The whimsical grounds have a variety of dreamy spots, perfect for enjoying a glass of bubbly or your morning brew. Pack a bag of marshmallows for when you're sitting around the fire pit on a starry night or keep the good times rolling even after the sun has set with a round of darts or game of table tennis in the cosy backyard games room. There is so much to keep you entertained, so even when the weather is dreary you can still enjoy those blissful holiday vibes.

For those planning to bring the boat or jet-ski, there is ample parking behind the secure fence on the long driveway in addition to the double carport. Launching is easy, as you can drive onto the solid beach sand and waves are few and far between.

~ Living, Kitchen & Dining ~
Gorgeous raked ceilings stretch across this open plan space, which is right in the heart of the home. Serving as just the place for your group to come together. The Kitchen is better equipped than most, with all the essentials and those little extras like a Delonghi pod coffee machine with milk frother.

Perched on the raised dining table is just the place to fuel up with good brekkie before heading out for a day of adventuring under the sun.

Put your feet up, get cosy on the couch, and pop an episode of your latest Netflix series on the Smart TV
