Peaceful Park Outlook - A Rare Find in a Quiet Cul-de-Sac

Some homes are all about the walls and floors - this one is about what's beyond them. With a little bit of love and attention you will have Gem. Nestled in a quiet cul-de-sac just off Siganto Drive, this three-bedroom family home offers something few others in the area can: a private courtyard that opens onto a leafy park outlook, giving you space to breathe without sacrificing convenience.

Open for Inspection

Sat, 05 Sep 2026 - 9:00 AM to 9:30 AM
Sun, 06 Sep 2026 - 1:45 PM to 2:15 PM

Step inside to a light-filled, open-plan living area designed for easy family living, with air conditioning to the living room and ceiling fans throughout keeping things comfortable all year round. All three bedrooms come complete with built-in wardrobes, and the master retreat features its own private ensuite.

But it's the outdoor space that sets this home apart. The fully fenced yard and private courtyard back onto parkland, creating a genuine sense of openness and greenery that's increasingly hard to find so close to everything you need. Morning coffee with a view, kids playing safely in sight, weekend barbecues framed by the outlook - this is the point of difference buyers have been searching for.

Homes with a genuine park outlook like this don't come up often - inspect this weekend before it's gone.
