Rare Offering with Room to Move!!

Set on 28 acres with tar road access, this property offers space, privacy, and a practical setup for anyone chasing a farming or lifestyle change without being too far from town.

The home features five bedrooms and two bathrooms with a functional layout suited to family living. There is plenty of room for everyone, with multiple living spaces and views out across the surrounding hills and countryside.

Outside is where the property really comes into its own. An inground pool sits in a great position overlooking the mountains - a spot where you can relax, entertain, or simply enjoy the view at the end of the day.

For those needing serious storage or workspace, the property includes two large sheds ideal for tractors, farm equipment, boats, caravans, or weekend toys 18mtr x 12mtr Three Bay Brand new. Whether you're running machinery, storing gear, or working on projects, the space is already here.

The 28 acres are currently running five head of cattle, giving buyers the option to continue grazing, run a few more animals, or simply enjoy the open space. The land is well-suited to hobby farming, horses, or anyone wanting room to move.

Properties like this offer the kind of space and flexibility that's getting harder to find. There's room for the kids to grow up outdoors, space for animals, and plenty of shed storage that rural buyers are always searching for.

A property where you can slow things down, spread out, and enjoy country living while still having practical infrastructure already in place.
