Open for Inspection

By Appointment.

This meticulously renovated family home will have something for everyone, with the addition of a 2nd floor for a separate teenagers retreat or guest quarters, giving you space and privacy for all. The fully fenced front yard is perfect for children and pets, while the outdoor entertaining area and deck provide the ideal setting for gatherings with family and friends. Take a dip in the inground pool or simply relax and enjoy the beautiful water views from your north-facing home.

What we love :

- Raised entry with double doors and louvres above , creating beautiful cross flow breezes
- Sweeping high raked ceilings in living area with views of the length of the lake
- Large entertaining area with a raked ceiling , allowing the view to seamlessly flow from the entry of the house to entertainment area to the lake
- Kitchen looks out to the glistening view and has been thoughtfully designed and features large island bench with stone top and so much storage !
- Upstairs separate teenage retreat or guest quarters with living area, large bedroom, stunning bathroom and study area that could be used as a kitchenette
- 2 good size guest bedrooms on lower level plus gorgeous modern guest bathroom
- Main bedroom separately located from other bedrooms and looks out to lake with direct access to deck
- Spacious ensuite with bath , large shower and double vanity
- Plantation shutters throughout
- Ducted air conditioning throughout
- Eco-conscious buyers will appreciate the solar panels with 12.8 kW solar battery storage , solar hot water system and the fast 7kW, 32 Amp EV charger in the garage adds an extra layer of convenience.

Located in the sought-after Mountain Creek area, you'll enjoy a peaceful neighbourhood while being close to local amenities.
