This block only allows for a smaller dwelling, but if that's exactly what you're looking for, the location and views from just standing on the block make it worth your while! A high set home could make the most out of the lovely green view and water glimpses over Lucas Passage towards Stradbroke Island. Curious? Come and have a look for yourself!

Macleay Island is a village-like community in the heart of a scenic marine national park with all the shops, clubs and facilities right here on the island to cater for most needs. Golf, Bowls and Boat Club, restaurants, Art Centre and Pottery Shed as well as regular live music events offer activities and entertainment.
