If you've been holding out for a home that truly caters to the whole family - not just today, but for years to come - this solid double storey brick residence in Brassall is going to impress you in all the right ways.

Positioned on a generous 702m² block and capturing sweeping views across the suburb, this is a home designed with flexibility front of mind. Whether you're accommodating grandparents, giving teenagers their own retreat, running a business from home, or simply wanting space to spread out, the layout here makes it all possible.

Let's start downstairs, because this level really does feel like its own private zone. You're welcomed into a spacious open plan lounge and dining area, complete with air-conditioning to keep things comfortable year-round. It's light, practical and easy to furnish - perfect for relaxed everyday living.

The adjoining kitchenette offers an abundance of bench and cupboard space, along with a dishwasher for added convenience, making it ideal for extended family or guests who appreciate a bit of independence.

There are also two additional rooms on this level, both fitted with built-in robes and air-conditioning. These rooms are wonderfully versatile - ideal as home offices, a kids' playroom, hobby space, guest accommodation or even extra bedrooms if needed. The downstairs bathroom has been recently renovated and is absolutely
