Low maintenance country living

This solid brick family home is located right in the heart of the Fingal Valley. Fingal is located only a short 15-minute drive to St Marys and 30 minutes to the beautiful East Coast beaches.

The property boasts an inviting lounge room, and spacious kitchen all of which is kept warm and cosy by the efficient wood heater. The home has three generously sized bedrooms plus a bathroom with both a bath and shower and separate toilet for convenience.

The sunny deck, overlooking the garden is the perfect location for your morning coffee or entertaining friends. The block is easy care and low maintenance. You also have the added bonus of a single garage and workshop as well as a garden shed.

Properties in the Fingal Valley are hard to come by so we do not expect this one to last long.
