By Appointment.

This one-owner, architect-designed residence has been crafted to seamlessly integrate modern comfort with the serenity of a private retreat. It offers an unparalleled blend of luxury, privacy, and spectacular views, all tucked away from busy roads yet only moments from the Sunshine Coast's best attractions.

Every detail of this home has been thoughtfully curated to ensure a harmonious living experience in one of the Sunshine Coast's most desirable locations.

Features include:

- Architecturally innovative design with a focus on both style and function
- Incredible master suite with a walk-in robe, ensuite, and spa bath, all with stunning ocean views
- Two additional spacious bedrooms, each offering panoramic vistas
- A separate studio with its own ensuite for added flexibility
- Modern kitchen with ample space and induction cooktop
- Formal dining area with breakfast bar to the kitchen
- Multiple living areas, perfect for relaxation and entertaining
- Billiard room and casual lounge, along with a main living room for versatility
- Large internal laundry with a convenient chute from the master and kitchen
- Gorgeous modern bathroom
- Office/study space to work from home
- One of the best views on the Sunshine Coast, offering tranquility and beauty
- Queensland built hardwood home offering exceptional comfort
- Tasmania Oak ceilings and flooring
