The Point of Difference

- ? The home offers four generously proportioned bedrooms, highlighted by the show-stopping master retreat positioned quietly to the rear and featuring a large walk-in robe plus a luxurious full ensuite with oversized shower, tiled niche, double vanity and separate toilet, while the remaining three bedrooms each include built-in robes and are serviced by a stylish central bathroom with bath and separate toilet.
- ? The kitchen delivers both sophistication and functionality with premium Smeg 900mm gas cooktop, Smeg oven and rangehood, expansive 40mm Caesarstone benchtops with waterfall island, ample overhead cabinetry, double sink, large fridge space and generous pantry storage, while a clever sliding door allows separation from living zones when required for heavier cooking.
- ? A variety of living zones ensures flexibility for the whole family, including a large front lounge ideal for formal entertaining, a spacious open-plan meals and living zone at the heart of the home, and seamless connection to outdoor entertaining, all enhanced by high ceilings, beautiful timber-look flooring, soft carpets and a wide welcoming hallway.
- ? Entertaining is effortless with the generous covered decking alfresco area flowing directly from the main living space, creating the perfect setting for year-round dining, gatherings and family celebrations, while the open indoor-outdoor transition allows the home to function beautifully for both relaxed everyday living and larger social occasions.
- ? The front and rear gardens have been thoughtfully designed with a combination of decking, artificial grass, concrete and gravel to achieve a striking visual appeal while remaining incredibly low-maintenance, delivering both privacy and practicality without the burden of mowing, and providing safe outdoor space for children and pets to enjoy.
- ? Additional premium features include a designer façade, 5kW solar system, gas ducted heating, evaporative cooling, remote-controlled double garage with internal and external access, spacious laundry, study nook with shelving, extra walk-in storage, security door and screens, concrete perimeter walkways, 2020L rainwater tank with pump, retractable hose, full security camera system, alarm system and much more.
