House 4 2 2

Easy Living, Space to Entertain & a Backyard You'll Actually

Positioned on a generous 433m² block in a quiet Holmview street, 5 Oakvale Avenue delivers the kind of practical, low-maintenance living that appeals to families, first-home buyers and investors alike.

Designed across a single level, the home offers a well-considered layout with four bedrooms, two bathrooms and multiple living zones, allowing space for both connection and separation. At the heart of the home, the open-plan kitchen, dining and family area is light-filled and welcoming, anchored by a large island bench, ample storage and seamless flow to the outdoor entertaining area.

The adjoining lounge provides a comfortable second living space - ideal for movie nights, kids' retreat or quiet downtime - while hybrid flooring and neutral tones create a warm, modern feel throughout.

Step outside and you'll find a covered patio overlooking a level, fully fenced backyard - perfect for entertaining, pets or simply enjoying the Queensland lifestyle. There's plenty of room to personalise the space, with established lawns and excellent privacy already in place.

The master bedroom includes a walk-in robe and ensuite, while the remaining bedrooms are well-sized and serviced by a central bathroom. A double lock-up garage with internal access & laundry.
