Behind a secure gate, a dedicated parking space ensures peace of mind. Step inside to a generous front lounge perfect for relaxing or entertaining featuring a gas bayonet and ample room for a full lounge setting. Further along the hallway, a second living space with high ceilings and a split-system air conditioner creates a bright, airy hub that connects seamlessly to the expansive kitchen.

Home cooks will appreciate the extensive benchtops, plentiful cabinetry, electric cooktop, wall mounted oven, and a compact dishwasher.

Comfort is a year round feature thanks to reverse cycle ducted air conditioning and solar panels that help keep running costs down.

At the rear of the home, you'll find two well-sized minor bedrooms, both with built-in robes and space for additional furniture. The master suite, located at the end of the hallway, offers double built-in wardrobes and direct access to the bathroom, which includes a separate bathtub, a glass paneled shower, and a modern vanity.

Outdoors, a large gabled patio provides the perfect setting for entertaining, while the low-maintenance and fully fenced front yard offers a safe play area for children or pets. A handy external storage room completes the package.
