Charming 4-Bedroom Home in Prime Walk-to-Town Location

Positioned in one of Drouin's most sought-after pockets, 5 Walker Drive offers unbeatable convenience just a short stroll from town. This solid early-90s brick veneer home delivers space, comfort, and potential in equal measure. Ideal for families, investors, or renovators looking to make their mark.

Features include:

- 4 spacious bedrooms, master with ensuite
- Ducted heating & evaporative cooling throughout
- Functional kitchen with gas cooktop & dishwasher
- Fully fenced courtyard-style backyard
- Double garage and walking distance to town

Inside, the home boasts four generous bedrooms, including a master with its own ensuite, and a central bathroom to service the rest. Ducted heating and evaporative cooling ensure year-round comfort, while the well-equipped kitchen features a gas cooktop and dishwasher, with plenty of scope for a modern update.

Outdoors, a private, fully fenced courtyard-style backyard offers a great space for entertaining or relaxing, and the double garage adds extra convenience. Neatly presented and well maintained, this home sits in a tightly held location known for its peaceful atmosphere and proximity to everything Drouin has to offer.
