A Home with a View, a Lifestyle with a Story ? Welcome to 50

A Residence of Prestige, Views And Unmatched Location

There are places that offer a home, and then there are places that offer a story – a narrative woven with breathtaking views, elegant design, and a lifestyle that many desire but few attain. 504/102 Esplanade is one such place. Nestled in the heart of Darwin City's most prestigious boulevard, this residence is more than just an address; it is a statement of refined living.

From the moment you step inside, you are greeted by expansive floor-to-ceiling windows, framing a panoramic masterpiece – the lush green expanse of Bicentennial Park, the endless blue of the Arafura Sea, and the vibrant pulse of the city just beyond. Every morning begins with a golden sunrise over the water; every evening closes with the soft glow of the city skyline.
Designed for Living, Built for Comfort

This impeccably maintained three-bedroom, two-bathroom apartment is an exquisite blend of space, style, and functionality. An open-plan layout allows natural light to cascade effortlessly through the home, enhancing the sleek, modern interiors. The gourmet kitchen, fitted with premium appliances and ample storage, invites both quiet mornings with a coffee and evenings spent entertaining.
Why This Home Stands Apart

A location like no other – Positioned on Darwin's most coveted street, with the park and ocean as your front yard, and the CBD, dining, and waterfront precinct just a short stroll away.

Effortless elegance – A seamless flow between living, dining, and outdoor spaces, ensuring comfort without compromise.

Views that speak for themselves – From every angle, a stunning vista of water, greenery, and skyline, bringing serenity to city life.

Unmatched practicality – A rare two secure undercover carparks, a secure building with intercom access, and a low-maintenance, high-lifestyle offering.

A home or an investment? – Whether you seek a sophisticated city retreat or a high-demand rental property, this residence delivers exceptional value in a prime location.

This is not just a home – it's a chapter waiting to be written. The question is: will you be the one to write it?
