House 4  1  2 

Ideal Horse Block

Seven acres of rich plateau country so close to Alstonville. Tastefully renovated 4 bedroom brick & tile family residence that has been professionally modernised to a high standard. The kitchen has the 'wow' factor with Lapidus Gold 40mm granite bench tops + Tasmanian Oak timber doors and is complete with new appliances (oven, dishwasher and rangehood). The flooring is high grade Spotted Gum timber throughout the home to add to the real 'homestead' feel of the property. The property is well suited to those wanting space for themselves and the family with plenty of space for a pool or additional buildings. An attached irrigation licence makes it ideal for small scale horticulture with suitable shedding already in place complete with toilet + shower facilities. As a bonus an adjacent separate studio located close to the house would suit as an office, granny flat or teenager's retreat.
