Loads of living space

This great four bedroom ensuite home with study has loads of living space. Formal lounge and dining room, great kitchen that opens out to the meals area and family room. There is the bonus of a great sun room or kids play room. This open out to the covered barbeque area and the enclosed back yard with lots of room for the kids to play. Inside you have four bedrooms with built in robes and three of the bedrooms have ceiling fans. The master also has a parents retreat or study. Ducted cooling and ducted gas heating throughout and the bonus of ceiling fans in two of the bedrooms. Car accomodation is a enclosed carport with access to the back yard. This is a must to see. Please call LJ Hooker 6241 1922 to register your interest.
