Brilliant opportunity for minimal startup cost & big return

This is an unprecedented opportunity to walk straight in and take over the reigns of one of the most popular fast food businesses in the ever growing North Tamworth Area. All equipment, furniture and liquor licence included.

The design of the building provides for further scope to sublease and split the premises into 2 or 3 business opportunities and make full use of the grassed area to the side and back of the shop.

The property is available for immediate use. Just turn the stove on and your cooking with gas.....

If you have great management skills and dare to look outside the box, the sky is the limit to what you could bring to this side of town.
