Nestled within the sought-after Portsea Resort, this inviting holiday pad offers dual appeal – generate income while still enjoying the flexibility of escaping to your own tropical getaway.

Set on the quieter beachside of the resort, with a convenient mid-level position (no stairs from reception) the apartment features a tranquil, leafy outlook – the perfect sanctuary to unwind after a day exploring everything Port Douglas has to offer.

Inside, the light-filled layout is designed for effortless comfort, featuring a practical galley-style kitchen, generous open-plan living area with comfortable furniture, and a breezy balcony that captures the essence of tropical living. The bedroom space is complemented by a spa ensuite, adding a touch of indulgence to your stay.

All recent upgrades have been completed, so all you need to do is arrive and enjoy.

Step outside and immerse yourself in the resort's impressive facilities. Enjoy not one, but three sparkling pools, a lively pool bar, tennis court, games room, day spa, BBQ areas, and even a business centre.

And if you prefer the beach, you also have easy access to Garrick Street and the sealed beach path.

Whether you're seeking a relaxed holiday haven, a low-maintenance investment, or the perfect combination of both, this is an opportunity not to be missed.
