Prime Oceanfront Position

Perfectly positioned along one of Tuross Boulevard's most sought-after stretches, this stylish three-bedroom beach house offers both exceptional privacy and breathtaking ocean views. From the moment you step inside, the outlook takes centre stage. Expansive full-length windows flood the open-plan living, dining, and kitchen area with natural light, creating a relaxed coastal atmosphere that feels effortlessly inviting. The sense of space and flow makes this the heart of the home - perfect for unwinding or entertaining while gazing out to the sea.

Just steps from Plantation Beach North, it's as close as you can get to having your own beach. Shops, cafés, and the local country club are all within an easy stroll, making this the ideal blend of seclusion and convenience.

The home is surrounded by fully landscaped, low-maintenance gardens with native plants and a paved entertaining patio. There's a double garage with workshop and internal access, and a fenced rear yard with raised vegetable beds and a covered patio for relaxed outdoor living.

All three bedrooms include built-in wardrobes and ceiling fans, with the master suite offering air conditioning, a retreat area, dressing zone, and ensuite. The home also offers excellent potential to extend upward or outward (STCA) to further enhance the already spectacular views.

This is a rare opportunity to secure one of Tuross Boulevard's finest positions - where privacy meets panoramic ocean beauty. Homes of this quality and setting are seldom available. We invite you to experience it in person - the view must be seen to be believed.
