

52 Gibson St, Port Albert, VIC 3971

POA

Commercial Farming

Agistment in Port Albert

Gibson Rd, PORT ALBERT property

Approx 28Ha with five paddocks

Stock loading ramp

Town water supply

Generally: Good grazing land, suitable for cattle, sheep and other live stock. This 28Ha property is divided into four main paddocks and a road side holding yard with stock ramp.

A made government road provides good access to the property and there is a metered connection to the town water supply.

Port Albert, is a sheltered ocean port established in 1841, serving as the primary supply port for Gippsland pioneers before the railway connected Melbourne to Sale.

A popular tourist spot with excellent fishing either from the jetty or by boat in the surrounding sheltered waters.
