POPULAR BEL-AIR

Located in the popular Bel-Air Estate this property will tick a lot of boxes for the discerning purchaser. The main bedroom with its bay window has a large built in wardrobe and en-suite, while the other two bedrooms also have built-in robes. There are two distinct living areas with the kitchen and casual dining rooms and a good size family room. Walking out the rear side door you enter one of the largest covered and enclosed alfresco area I have seen with three entrances, a great place for parties or entertaining. Other features include ducted gas heating as well as two A/Cs and also the property is zoned Orange High School.
