Stylish Hamptons-Inspired Home with Space, Comfort & Sustain

Welcome to your dream home in the heart of Nirimba ? a beautifully designed Hamptons-style residence that combines elegant finishes, modern convenience, and smart sustainable features, all in one perfect package.

From the moment you enter, you'll be impressed by the expansive open-plan living area, soaring high ceilings, and a seamless connection to the covered alfresco ? ideal for relaxed family living or entertaining guests. The designer kitchen is a standout, complete with an oversized walk-in pantry and separate prep station, catering to home cooks and entertainers alike.

The spacious master suite is your private retreat, featuring a luxurious ensuite and an oversized walk-in robe. Two additional bedrooms, a versatile media/study room, and a rare 1.5m x 3.6m internal storage room make this home as practical as it is stylish.

Enjoy significant savings with a 6.5kW solar system and a 5,000L water tank connected to the laundry and toilets. Outside, the fully fenced backyard offers ample room for kids, pets, or even a trampoline ? perfect for growing families.

Ideally located in one of Nirimba's most convenient pockets, you'll be just minutes from local shops, parks, schools, taverns, gyms, and the upcoming City Centre and People's Place.
