From the first impression, this home radiates a sense of calm and confidence. Surrounded by lush greenery and open skies, it feels worlds away, yet remains connected to everything that makes modern life easy. Designed with family living and effortless entertaining in mind, framed by beautiful outdoor areas that invite you to relax and unwind.

Where Living Flows Naturally

Step inside and discover a home that moves effortlessly from its elegant open-plan interiors to an inviting indoor/outdoor sanctuary. Through expansive bi-fold doors, the living spaces open onto a beautifully enclosed deck – complete with a cosy fireplace for cool winter evenings and ducted air conditioning for those warm summer days. This tranquil retreat is designed for every season, where relaxation and connection come naturally.

Whether it's long summer lunches, twilight entertaining with friends, or quiet mornings spent with a coffee in hand, this stunning alfresco haven captures the essence of Queensland living. Overlooking the shimmering pool and cabana, with the rolling Hinterland as your backdrop, every moment here is framed by beauty, peace, and effortless luxury.

The Heart of the Home

At the heart of the home lies a chef's kitchen that perfectly balances elegance and practicality – a space where design and function meet in seamless harmony. Here, culinary dreams come to life. Expansive stone benchtops flow effortlessly across the room, creating both beauty and purpose. A generous Butler's pantry offers exceptional storage and preparation space, ensuring every detail of entertaining is as effortless as it is refined.

Equipped with two sets of double ovens including a steam oven, convection microwave, and sleek ceramic cooktop, this is a kitchen crafted for those who love to cook, host, and live well. Whether it's intimate family dinners or grand celebrations that spill out to the alfresco deck, this stunning space is the true heart of the home – where every meal becomes a shared moment, and every moment feels a little more luxurious.
