House 3  2 

MODERN 3 BEDROOM FAMILY HOME

Beautifully presented and architect-designed, this elevated, flood-free home offers relaxed living on a generous fully fenced block.

Featuring a warm mix of timber and polished concrete flooring, high ceilings, and quality finishes throughout, the home is both stylish and functional. The light-filled timber kitchen includes an induction cooktop, dishwasher, pantry, and air conditioning.

Spacious open-plan living flows to a large north-facing covered entertaining deck, ideal for year-round use. The lounge room also includes air conditioning and direct access to the verandah.

There are three well-sized bedrooms, all opening outdoors via French doors, with one offering built-in robes and all fitted with ceiling fans. The home is serviced by a three-way bathroom plus a second main bathroom.

Additional features include solar power back to the grid, solar hot water, tandem carport, garden shed, and established fruit trees.

Located within approx. 700m to Urunga Town Centre, shops, cafes, schools, and transport.

Please note, furniture is not included.
