From the moment you step inside, you're welcomed by a sense of calm and comfort. The heart of the home is a glorious open-plan kitchen, living, and dining area, where soaring ceilings and polished hardwood timber floors frame the leafy outlook. Whether you're preparing dinner, reading by the fire, or entertaining guests, this entire space is designed to embrace the natural beauty just beyond the windows. Large doors open to a generous deck - the perfect spot to soak in the sunset or enjoy morning coffee to the sounds of the birdlife.

Downstairs, two well-proportioned bedrooms are accompanied by a large bathroom, ideal for family living or hosting guests. But it's upstairs where the home truly shines - a master retreat that feels worlds away. With exposed timber beams, serene lake views, and a private ensuite, it's a space designed for pure relaxation.

Set on a leafy block with established gardens, a carport, and access from the back yard to the lake, this property offers rare connectivity to the natural surroundings. Paddle out on Lake Wooloweyah, cast a line for the catch of the day, or explore the nearby walking trails of Yuraygir National Park. The pristine surf beaches of Angourie are just minutes away, while the local park down the road provides a perfect play space for the kids.

Homes in Wooloweyah with this level of charm and outlook don't come along often - and they don't last long. With the property now offered for sale, buyers are encouraged to act quickly.

A peaceful retreat. A lifestyle to love. A chance you don't want to miss.
