Smart Start or Savvy Investment

Welcome to this modern and beautifully presented three-bedroom, two-bathroom residence set on a 238sqm block. Delivering comfort, practicality and low-maintenance appeal, this home is perfectly positioned in the highly desirable suburb of Harrisdale.

Open for Inspection

By Appointment.

Currently tenanted until 1 August, the property provides an immediate rental return for investors while still offering future flexibility for owner-occupiers planning their next move.

Whether you're entering the market for the first time or expanding your portfolio, this home represents outstanding value and lifestyle convenience.

At the heart of the home is a light-filled open-plan kitchen, living and dining area. The well-appointed kitchen features gas cooking, stainless steel appliances, an island bench and reverse-cycle air conditioning, creating a comfortable and functional space suited to everyday living and entertaining.

The master suite includes built-in robes and a private ensuite with a separate toilet, while two additional generously sized bedrooms are serviced by a modern second bathroom. A separate laundry adds everyday practicality.

Step outside to a spacious paved outdoor area overlooking easy-care gardens with lawn and front and rear reticulation—ideal for relaxed entertaining with minimal upkeep.
