Villa 3  1  1 

The Perfect Downsize

If low maintenance living and easy access to all the local amenities is what you are looking for, then this property is for you. If this sounds like the lifestyle change you have been looking for, then you do not want to miss out on this fantastic villa. Positioned only a short level walk to Dapto CBD its is easy to see the advantages of its prime location.

Open for Inspection

By Appointment.

Freshly painted throughout, this three bedroom residence is complete with built-in wardrobes in all bedrooms and an open plan design flowing out into the easy care courtyard with ample room for gardens and small pets.

For those who are looking to downsize and do not want the hassle of yard maintenance, you really cannot look past this well presented and very practical home.

Properties of this description do not come along very often, so arrange an inspection and do not miss out!
