Designed for comfortable living, the light-filled open plan living, dining, and kitchen areas are located at the front of the home, while all three bedrooms are privately positioned along the rear hallway.

The generously sized kitchen is perfect for entertaining, featuring a breakfast bar, pantry, gas oven, and Miele dishwasher, with the adjoining dining area offering a seamless space for family meals.

A large glass sliding door extends from the living area to a full-sized outdoor verandah—an inviting space to relax or entertain while enjoying the peaceful surrounds and the sound of birds in the trees, ideally with your morning coffee in hand.

All three bedrooms are well-proportioned and include built-in robes and quality drapes. The family-sized bathroom is centrally located, with the added convenience of a separate toilet.

Vinyl tile flooring flows throughout the home, complemented by fresh, neutral decor.

The laundry provides excellent storage with ample linen cupboards, additional hallway storage, and a practical storeroom accessible from the rear—because you can never have too much storage.

Comfort is assured year-round with solar hot water, ducted evaporative air conditioning, and a backup split system in the living area.

The neatly landscaped gardens feature established trees and native plants, creating a low-maintenance yet inviting outdoor environment.
