## Not Beyond Your Needs

Have you been looking for a four bedroom home with two bathrooms, double garage and two living areas within your budget? This house may just be the one.

**Open for Inspection**

By Appointment.

The property is located in a very handy location. Within a few kilometers of schools, shops, parks and sports club. You could walk to everything if you wanted to.

Big enough for a large family with four bedrooms. The main with air conditioning, a walk in robe and ensuite bathroom. All the bedrooms have built ins and ceiling fans. Look forward to comfortable summer nights ahead.

The split level design provides a separate air conditioned lounge with cathedral ceilings and a large informal open planned air conditioned living space on the upper level.

To top it off there is a near level fenced rear yard with rear access, covered patio to entertain or just sit outside and enjoy the fresh air and a double garage.
