Now THIS is holidaying.

It doesn't get much better than a private entertainers delight mere moments from pristine beaches.

Your own oasis awaits in the garden. There is surely nowhere else you'd rather be than lazing in (or around) the saltwater pool? Maybe the patio is more your thing, complete with hanging chair, lounge, BBQ & ping pong table. Or perhaps you'd rather kick it in your backyard bar? But there really is no need to pick when you can do it all!

Inside is just as equipped. Lounge in either of the two rooms - each with massive TVs and comfy sofas. The kitchen is straight out of a chef's dream – oversized and kitted out. The bathrooms are spacious and offer two of everything – yes, there are two baths! And the bedrooms are generously sized and all feature lots of clothing storage.

Bringing the boat or ski? You'll love all the secure parking! The driveway is fenced, plus there is a single drive through garage.

If you've got some emails to catch up on while you're away, you'll love the dedicate workspace which allows you to connect direct to the NBN, giving you a fast and stable internet connection.

Seriously, the list of standout features and comforts goes on!

The quiet section of Moana beach is just 500m away, and there are of course lots of other fantastic beaches just a short drive away – just take your pic of swimming, surfing, scenic or fishing beaches. Entertaining out of home is just as good. If you'd like to stay really local there is Duke's or Deep Blue Café, otherwise just take your pick of renowned venues in Sallicks, Port Willunga, Aldinga, McLaren Vale & Port Noarlunga.
