

6 Charwood Ct, Drouin, VIC 3818

Sold - \$870,000

House 4 2 3

Spacious, Stylish & Designed for the Large Family Lifestyle

Nestled in a quiet court on the edge of Drouin, this stunning four-bedroom plus study family home offers the perfect blend of style, space, and functionality. Set on a generous block, this beautifully designed residence caters to the needs of modern family living with room for everyone - and then some.

Step inside and be impressed by the expansive open-plan layout, highlighted by high ceilings and reiked ceilings in the kitchen, with skylights that flood the heart of the home with natural light. The kitchen, family, and dining area form the central hub, seamlessly connecting to the impressive outdoor alfresco space through large windows that bring the outdoors in.

Boasting three generous living zones - including a formal lounge or theatre room, an open family area, and a rumpus room positioned between the bedrooms - there's no shortage of space for relaxation, entertaining, or family time.

The master suite is a true retreat, complete with a luxuriously oversized walk-in robe, a spacious ensuite featuring double vanities, a large shower, and a separate toilet. Each of the remaining bedrooms also includes walk-in robes, ensuring storage is never an issue. The main bathroom and separate toilet are perfectly positioned to service the rest of the home, while the study at the front includes built-in desks - ideal for working from home or for student use.

Comfort is guaranteed year-round with ducted heating and refrigerated cooling throughout, ensuring a pleasant climate no matter the season.

Step outside to your private oasis - a vast, covered, and decked alfresco area overlooks the large solar-heated inground pool, surrounded by lush, resort-style landscaping. There's still ample space for the kids or the family dog to run and play in the backyard.

With its quiet court location, high-end finishes, and thoughtful design, this modern home delivers the ultimate lifestyle package for large or growing families.
