SPACIOUS HOME IN QUIET CUL-DE-SAC

Perfect family home located on a quiet cul-de-sac in a rural setting. The ideal place to raise a family or to wind down after a long day's work. Although the home is a 3 bedroom design, it is also the true definition of spacious. Everything is big from the beautiful timber kitchen to the bedrooms. Even the ensuite is big enough to swing a cat.

Some key features about this property. Firstly, the property has a frontage of over 120m! This is perfect if you're wanting to put sheds in, or even a pool. Another feature is the thoughtful design of the house. With the master bedroom at one end of the house and the 2 additional bedrooms at the other end, it's great if you've got kids or have guests stay over. There are many other cool little features about the design but you'll have to come inspect to find out what they are.
