As you enter, you're greeted by an expansive open-plan living area that effortlessly flows into a Media room - complete with a chic feature glass door. Feel the cool comfort of split system air conditioning and ceiling fans throughout, ensuring every corner of your home stays cozy year-round.

Now, let's step outside! The oversized undercover entertaining area is calling your name. Picture weekend BBQs with friends while the kids run wild in the generous yard space. There's plenty of room for a trampoline, garden beds, or even your furry friends!

Coomera is the place to be right now, with Westfield Coomera Town Centre just around the corner. Over 140 shops, a dining precinct, and movie theatre are all at your fingertips, making every day feel like an adventure. Plus, exciting new developments like the Coomera Connector, public and private hospital mean this area is only getting better.

This home isn't just a place to live - it's a lifestyle. Ready to explore 6 Hoop Pine Circuit in person? You'll want to see this one for yourself!
