Set on an impressive 2,000sqm parcel in sought-after Windmill Downs Estate Moore Creek, 6 Nash Street combines multiple living areas, exceptional entertaining spaces and premium finishes to create a home designed for modern family living.

From the moment you step inside, the scale of the home becomes immediately apparent. High ceilings and quality finishes throughout create a warm and inviting atmosphere, while multiple living zones ensure there is room for everyone to come together or enjoy their own space.

The kitchen is undoubtedly one of the home's standout features. Combining classic Hamptons influences with modern convenience, it offers an oversized island bench, stone benchtops, a freestanding Smeg cooker and beautiful feature tiling throughout. Whether hosting family celebrations or enjoying a quiet morning coffee, this is a space that effortlessly becomes the centre of daily life.

Flowing seamlessly from the kitchen and living spaces, the alfresco entertaining area is complete with a built-in BBQ and overlooks the sparkling inground pool-creating the perfect setting for summer afternoons, weekend gatherings and entertaining family and friends year-round.

The accommodation is equally impressive. The master suite offers a private retreat with a cleverly designed walk-through robe and beautifully appointed ensuite, while the remaining bedrooms are generously proportioned and serviced by a stylish family bathroom featuring a freestanding bath.

Adding further appeal is a dedicated media room, separate study, ducted reverse-cycle air conditioning with Wi-Fi control and a 5.5kW solar system.

For those needing additional space, the 16m x 8m shed is a standout feature in its own right. Complete with a car hoist, higher remote roller doors and ample storage, it provides endless possibilities for tradies, hobbyists, car enthusiasts or those simply needing room for all the toys.

Offering a rare combination of space, functionality and lifestyle, 6 Nash Street is a home that asks very little compromise.
